Access to the web portal for online entries will be activated from the beginning of May at the latest on the website [www.WinSpri.de](http://www.WinSpri.de). The entered diving lists can also be converted into a PDF and printed. Each club has to present the signed DSV-Form 300 and 301 – both can be automatically generated and printed. Every online entry will be automatically confirmed. Dive changes will only be accepted handed in on Form 306 together with the name and the number of the competition one hour before the start of the respective session. Any changes handed in later will not be accepted. Dive changes can only be made online until **01.12.2022**. All German participants have to register only once. They will be automatically considered in the international scoring.

All entries must be received by **27.11.2022** in the web portal. The complete entry lists and the detailed schedule will be exclusively sent by email and published on the website WinSpriMeld-Web-Portal for download. Late entries for synchronised divers (springboard and platform) may be handed in on location until one hour before competition start. After that no further entries will be accepted. The entry fee has to be paid directly to the DSV.

In the synchronized competitions there is only a subdivision based on the age class (40-99 and 100+), further, there are no separate separate scores for same-sex or mixed pairs. The jump series consists of 2 compulsory jumps (from 2 different groups, degree of difficulty is uniformly 2.0) and 1 or 2 freestyle jumps without group constraint.
